

Message Stick

Use the symbols to create a message stick that is sending a message from the Kombumerri Aboriginal clan to a clan in another region telling them what is happening in your area or inviting them to an event.

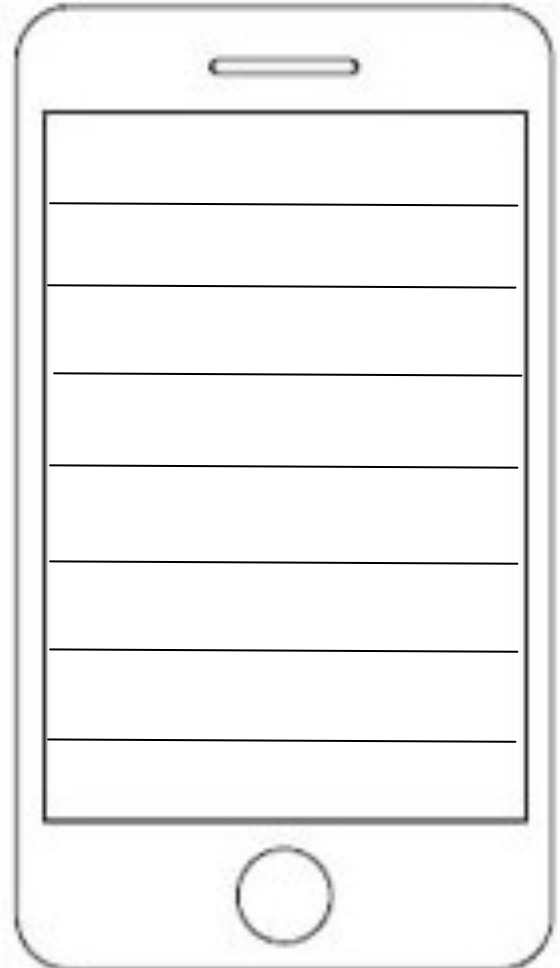

What message are you sending?

Text Message

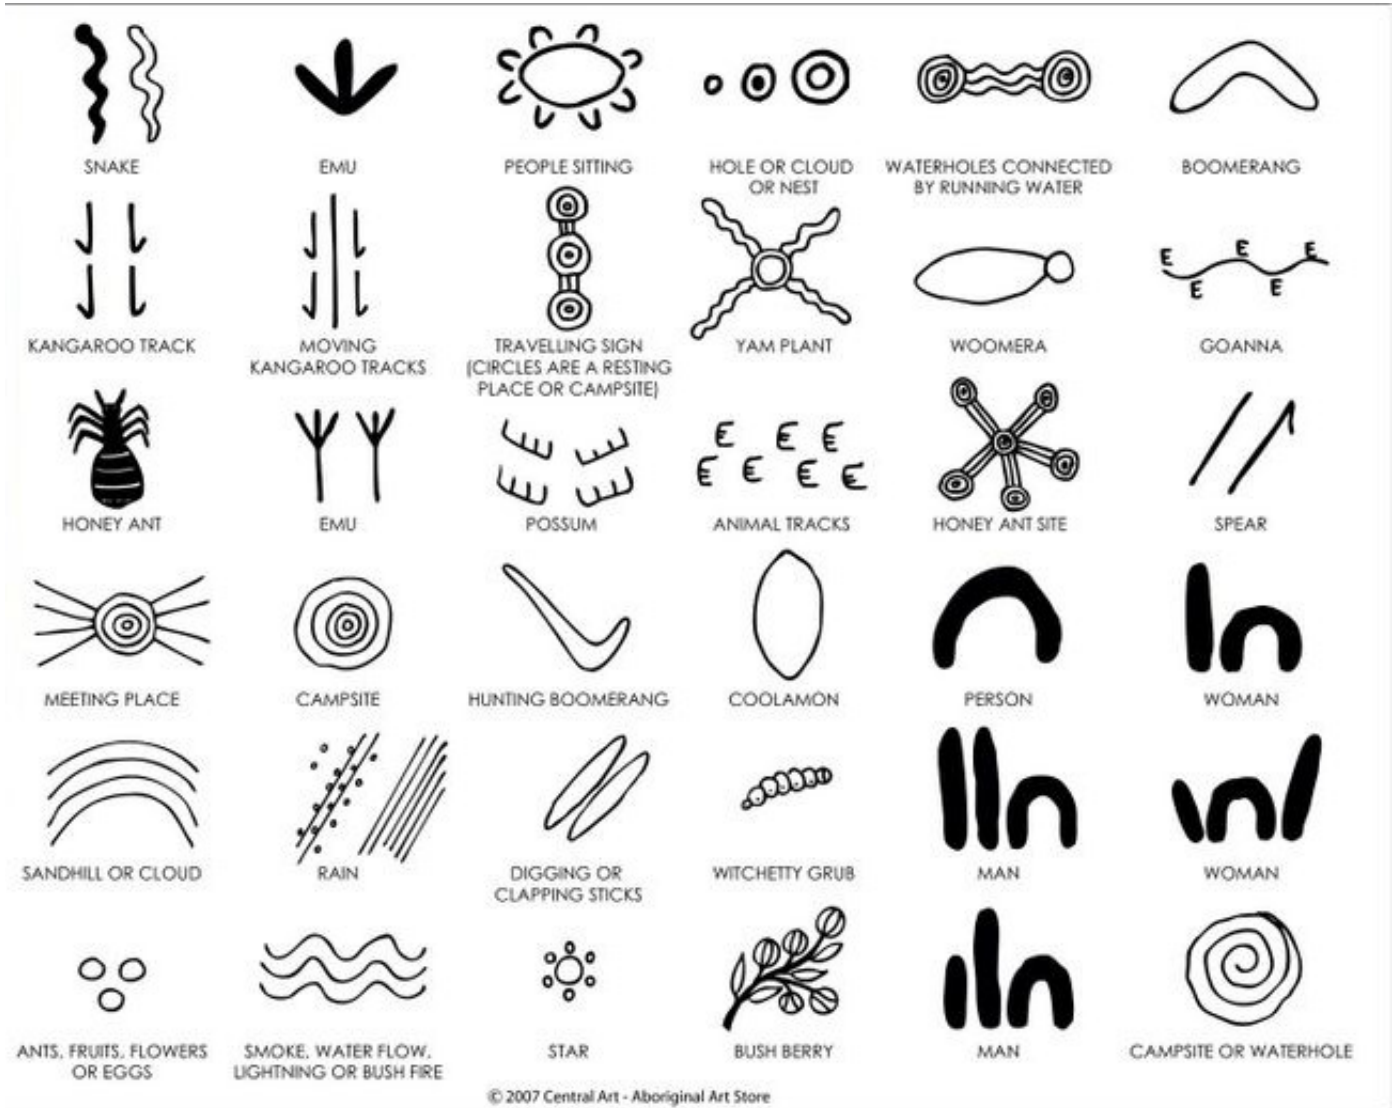

Today when we want to send a message quickly we send a text message by phone. Imagine you are on holidays, send a message to your friend telling them what you and your family are doing.

How are the messages different ?

How are the messages the same?
