

POSTCARDS FROM THE PRESENT -

Your task is to write a postcard reply to Elizabeth. You need to think about what has change since 1929. Use the postcard images to help you. Tell Elizabeth what it is like to travel in the present on our M1 highway when it is very busy.

Remember to mention the natural and build environment and how motor vehicles and roads have changed.

Dear Year 3,

Yesterday we headed off from Brisbane for our annual holiday at Coolangatta. The road trip was going well until we reached the Coomera River ferry. As you can see there was quite a line up waiting to go across. It took us 2 ½ hours to get to the beach. I sure hope that the new bridge is finished in time for our holiday next year.

Has something similar to this happened to you when you have gone on a road trip?

Well I'm heading off to swim at the beach.

Kind regards,

Elizabeth
